The Carlisle School Association (carliseschoolassociation.org) is the parent organization for the Carlisle Public Schools. Through our ongoing relationship with school administration, we are able to provide much needed volunteer services to assist the school in its goal of providing excellence in education to our children. We rely year after year on our many enthusiastic and dedicated volunteers. If you have volunteered in the past, thank you, and we hope that you will plan to help out again this year. To those of you who are new to our school, or who have not yet had an opportunity to volunteer, we urge you to review the following list of opportunities, and sign up for something of interest to you.
