The Carlisle School Association (carliseschoolassociation.org) is the parent organization for the Carlisle Public Schools. Through our ongoing relationship with school administration we are able to provide much needed volunteer services to assist the school in its goal of providing excellence in education to our children. We rely year after year on our many enthusiastic and dedicated volunteers. If you have volunteered in the past, thank you and we hope that you will plan to help out again this year. To those of you who are new to our school or who have not yet had an opportunity to volunteer, we urge you to review the following list of opportunities and sign up for something of interest to you. Volunteering at the school is a wonderful way for you to meet parents, teachers and the administration, and to help provide valuable assistance to our school.

Please take a moment to review the following list of opportunities. Please call Kim Ratcliffe at 978-369-7368 if you have any questions. *(Parents should update this form annually.)*
